Welcome home to easy, main-level living in this beautifully designed ranch floorplan, perfectly located in The Meadows. From the moment you step inside, you'll appreciate the open, airy feel created by high ceilings, wide-plank wood flooring, plantation shutters, and thoughtful architectural details throughout. The heart of the home is the spacious great room, where a cozy gas fireplace sets the perfect ambiance for cool Colorado evenings. The open layout flows seamlessly into the dining area and kitchen, making this home ideal for entertaining or simply enjoying everyday life. The kitchen is both stylish and functional, featuring a gas cooktop, large eat-at island, pantry, and a stunning stacked stone backsplash that adds warmth and character. Step out onto the rear deck and enjoy peek-a-boo mountain views also visible from the kitchen and master suite creating a peaceful backdrop to your morning coffee or evening unwind. The covered front porch provides an additional outdoor space to enjoy! The primary suite is a true retreat, offering generous space for your furniture, beautiful natural light, and those same inviting mountain views. The luxurious en-suite bath showcases elegant tile work, an oversized shower with bench and pebble stone floor, and a spacious walk-in closet with plenty of room for your wardrobe. Two additional bedrooms and a full bath provide flexibility for guests, family, or a dedicated home office to fit
